NEW YORK PATHOLOGICAL SOCIETY *in affiliation with*  
THE NEW YORK ACADEMY OF MEDICINE—March 25

NOTICE—As the annual meeting of the American Association of Pathologists and Bacteriologists was held in Chicago on the date of the regular meeting of the New York Pathological Society, no meeting of the Pathological Society was held in March.

## DEATHS OF FELLOWS

GOLDENBERG, HERMANN, M.D., 128 East 72 Street, New York City; graduated in medicine from the Royal Bavarian University of Munich in 1886; elected a Fellow of the Academy April 2, 1891; died April 1, 1937.

Dr. Goldenberg held a certificate from the American Board of Dermatology and was consulting dermatologist to the Mount Sinai and Bronx Hospitals. He was a Fellow of the American Medical Association and a member of the County and State Medical Societies.

JARECKY, HERMAN, A.B., M.D., 120 West 86 Street, New York City; received the degree of Bachelor of Arts from the College of the City of New York in 1883, and graduated in medicine from the College of Physicians and Surgeons in 1886; elected a Fellow of the Academy June 7, 1900; died March 14, 1937.

Dr. Jarecky had been consulting otolaryngologist to the Sydenham Hospital. He was a member of the American Academy of Ophthalmology and Otolaryngology, the Alumni Association of City Hospital, the American Medical Association and the County and State Medical Societies. He was the author of various papers on diseases, operations and treatment of eye, ear, nose and throat.

SPIES, EDWIN ALBERT, M.D., 24 East 36 Street, New York City; graduated in medicine from Fordham University School of Medicine in 1910; elected a Fellow of the Academy November 2, 1922; died March 21, 1937.

Dr. Spies, at the time of his death, was adjunct professor of orthopedic surgery at the New York Polyclinic Medical School and Hospital; orthopedic surgeon to the Morrisania and Misericordia Hospitals and consulting orthopedic surgeon to St. Francis' Hospital, Poughkeepsie. He held a certificate from the American Board of Orthopedic Surgery.

Dr. Spies was a Fellow of the American College of Surgeons, the American Medical Association and a member of the State and County Medical Societies.
